TIGERS OUT!

The Greene County High School Football team has come out of their TIGERS DEN! They have been working diligently since the spring of this year attending football camps, putting in hard work in the weight room and having a successful "LOCKDOWN" camp July 22-24, 2024. This season we have 5 home games and 5 on the road games. Under the strong leadership of Head Football Coach Cockrell, the football players have built a chemistry of loyalty, commitment and perseverance. They are ready to put up a fight and WIN, WIN, WIN! This is indeed the "TIGERS" break out season! So, Greene County let's show up to every football game, support and cheer on our guys. Believe it or not the community plays a huge role in fueling our football team's pride. When those guys turn around and look up into the stadium, they want to see our familiar faces, they want to see people from their hometown represent them. LETS GO TIGERS!

FUND FUND!

The Greene County High School Football Booster will be having a FRUIT FUNDRAISER, we will be selling TIGER PARAPHERNALIA at the home games and we will also be having our annual TAILGATE EVENT on homecoming day which is Friday October 4, 2024. The football team works so hard all year and we want to support them in being their backbone to help build a successful football program. Let's build up our community first by pouring into our young guys and truly making them feel special.

DECK THE FIELD!

In 2022 the GCHS Football Booster held a "TIGER BANNERS EVERYWHERE" fundraiser where we solicited local businesses to purchase banners with their advertisements to decorate our football field to show community pride, love and support between the football team, and fans. Unfortunately, the devastating tornado in 2023 destroyed all of sponsorship banners. Proudly, we will be replacing all 23 of the banners and hanging them back on the fence for our 2024 football season this fall. You are more than welcome to come and join us in decorating the football field with our beautiful banners. AGAIN, THANK YOU GREENE COUNTY TIGER SUPPORTERS! WE LOVE YOU!
